EPS 282X Mentor Teacher Evaluation of Pre-service Teacher

For statements 1 through 28, mentor teachers will be asked if the pre-service teacher is developing and progressing (D/P), developing with concerns (D/C), or if the behavior is unacceptable (U).

1. The student applies knowledge of developmental characteristics of age group.
2. The student performs duties as requested.
3. The student manages time, materials & space.
4. The student monitors student behavior.
5. The student responds appropriately to student behavior.
6. The student interacts appropriately with the classroom teacher.
7. The student demonstrates clear oral communication.
8. The student demonstrates clear written communication.
9. The student demonstrates appropriate non-verbal communication.
10. The student demonstrates appropriate listening skills.
11. The student demonstrates collaboration/collegiality.
12. The student considers effects of actions on others.
13. The student demonstrates ethical conduct, including personal integrity and honesty.
14. The student demonstrates a positive demeanor and sense of humor (i.e., does not become easily frustrated or discouraged).
15. The student demonstrates emotional maturity.
16. The student demonstrates flexibility (i.e., deals reasonably with unexpected problems/changes).
17. The student demonstrates respect for others.
18. The student is approachable.
19. The student demonstrates ability to self-evaluate.
20. The student is responsive to constructive criticism.
21. The student demonstrates responsibility.
22. The student demonstrates appropriate social skills.
23. The student's dress and appearance is appropriate.
24. The student demonstrates enthusiasm.
25. The student is punctual.
26. The student demonstrates compliance with rules and policies.
27. The student demonstrates ability to follow directions of the classroom teacher.
28. The student demonstrates ability to follow agreed upon schedule.

29. How beneficial has this experience been for the child in your class? Explain.
30. What concerns do you have regarding this NIU student as a future teacher?
